Approved by the 6 Language Center Meeting of the 2nd Semester, Academic Year 2025-2026, on May13, 2026

1. This scholarship is specifically established to encourage international students of the Center to pursue their studies in Taiwan and obtain language certificates.
2. The eligible recipients of this Mandarin reward are currently enrolled international students at the University (including foreign students, overseas Chinese students, Hong Kong/Macau students, and Mandarin language students) who take the designated Mandarin proficiency tests listed in these regulations and meet the reward standards for their respective levels.
3. The Mandarin reward under these regulations is divided into four levels. The test types, passing standards for each level, and reward amounts are detailed in Appendix 1. Eligibility is strictly limited to students who participate in the intensive prep course during the current term and meet the designated test reward standards. Late applications will not be accepted.
4. Application Qualifications:
   (1) International students affiliated with the University (including foreign students, overseas Chinese students, Hong Kong/Macau students, and Mandarin language students).
   (2) Applicants must attend the intensive prep course during their current enrollment period and pass the designated test reward standards to apply.
